SPECIAL COMMITTEE ON AGING

May 9, 2025

The Honorable John Hoeven
Chair
Subcommittee on Agriculture, Rural
Development, Food and Drug Administration,
And Related Agencies

The Honorable Jeanne Shaheen
Ranking Member
Subcommittee on Agriculture, Rural
Development, Food and Drug Administration,
and Related Agencies

Dear Chair Hoeven and Ranking Member Shaheen,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2026 Agriculture, Rural Development, Food and Drug Administration, and Related Agencies bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, appearing to read "Andy Kim", followed by a long horizontal flourish line.

Andy Kim
United States Senator

Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Borough of Audobon	This project supports the purchase and installation of a CardioLab Hemodynamic system in Deborah's Electrophysiology Labs. This funding is a good use of taxpayer dollars because the hospital serves a Medically Underserved Area/population as defined by the HRSA.	Audubon NJ	\$660
Borough of Bloomingdale	This project supports the construction of a new, centralized police headquarters. This is a good use of taxpayer dollars because the construction of a new police headquarters will provide essential infrastructure to meet the present and future public safety needs of the community and the region.	Bloomingdale NJ	\$8,000
Borough of Bogota	This project supports the construction of a new firehouse for Bogota Fire Department. This is an appropriate use of taxpayer dollars as it will not only enhance the daily operations of the fire department, but also advance ongoing efforts to improve the quality of life.	Bogota NJ	\$2,250
Deborah Heart and Lung Center	For the purchase and installation of a CardioLab Hemodynamic system in Deborah Heart & Lung Hospital's Electrophysiology Labs, which serves a Medically Underserved Area/population.	Browns Mills NJ	\$1,275
Mid-Atlantic Center for the Arts	This funding supports capital projects specified in the approved New Jersey Historic Trust Site Management Grant. This is a good use of taxpayer dollars since this will expand public accessibility to free, interpretive historic spaces within the Emlen Physick Estate.	Cape May NJ	\$1,475
Borough of Dumont	This project supports the purchase of a Ladder Truck for the Dumont Fire Department as the current ladder truck is often out of service. The project is a valuable use of taxpayer funds because it strengthens public safety and emergency response capacity while ensuring fiscal responsibility.	Dumont NJ	\$1,500
Borough of Emerson	This funding support the installation of an ADA-compliant elevator at the Emerson Firehouse. This is a good use of taxpayer dollars because, as a public election polling site, it will ensure accessibility for all residents, particularly seniors and individuals with disabilities.	Emerson NJ	\$500
Borough of Franklin	This project will support the purchase a new ladder fire truck for a rural community. This is a good use of taxpayer dollars because it is a much-needed ladder fire truck that will decrease the need to rely on mutual aid agreements with surrounding towns for fire services and improve response times.	Franklin NJ	\$1,596
Township of Lebanon	This funding will support the purchase of a pumper apparatus for the Lebanon Township Volunteer Fire Department. This is a good use of taxpayer dollars as this apparatus will greatly improve the quality of daily emergency response operations.	Glen Gardner NJ	\$567
Township of Greenwich	This funding support the purchase of five SCBA units to replace existing SCBAs that are old, failing, and out of compliance. This is a good use of taxpayer dollars as this is a critical equipment needed for the fire department to carry out its mission of protecting people and property.	Greenwich NJ	\$45
City of North Wildwood	This projects supports the replacement of the North Wildwood Public Works Facility which is long past its useful design life and in a state of disrepair. This is a good use of taxpayer dollars because a new facility is an investment in operational efficiency, community well-being, and resiliency.	North Wildwood NJ	\$5,500
Borough of Old Tappan	This project supports the acquisition of a new primary command vehicle, a secondary command utility vehicle, and a fire engine. This is a good use of taxpayer dollars as it will improve fire response, emergency management, and disaster response for Old Tappan and surrounding communities.	Old Tappan NJ	\$525

Borough of Paulsboro	This funding supports construction of a complex that will house both administrative offices and the police station. This is a good use of taxpayer dollars because it will better facilitate residents' access to services, improve ADA-accessibility and better meet the needs of our local police.	Paulsboro NJ	\$13,595
Township of Verona	This projects supports the construction of a state-of-the-art emergency services complex. This is a good use of taxpayer dollars as this building will consolidate equipment, services, and administration which in turn will improve operations, as emergency response coordination will be enhanced.	Verona NJ	\$5,000
Wyckoff Township	This project will support the modernization and expansion of the Wyckoff police facility. This is a good use of taxpayers dollars as it will allow the department to meet operational, safety, and compliance standards. These upgrades will also create opportunities for emergency response coordination.	Wyckoff NJ	\$2,284
