## Legislative Highlights

Worked to bring down costs and introduced legislation to make **home ownership** a priority for more Americans.

Conducted robust **oversight of FEMA** on various issues including disaster preparedness.

Introduced the **Answer the Call** legislative package to unlock the promise and power of service.

Introduced legislation to **strengthen alliances and partnerships in the Indo-Pacific** that are critical to our economic prosperity and national security.

Introduced the *Summer Meals Reach Act* to **fight child hunger**.

Secured top priorities in the FY2026 NDAA including the Partnership for Indo-Pacific Resilience.

Opposed and spoke out against the nominations of Emil Bove and Alina Habba.

Introduced the *Restoring Trust in Public Servants Act* to **ban the owning and trading of stocks** across all 3 branches of government.

Fought to protect healthcare and lower costs for millions of Americans.
