SPECIAL COMMITTEE ON AGING

April 16, 2026

The Honorable Katie Britt  
Chair  
Subcommittee on Homeland Security

The Honorable Chris Murphy  
Ranking Member  
Subcommittee on Homeland Security

Dear Chair Britt and Ranking Member Murphy,

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2027 Homeland Security Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

A handwritten signature in black ink, appearing to read "Andy Kim", with a long horizontal flourish extending to the right.

Andy Kim  
United States Senator

Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Township of Barnegat	This project supports the replacement & elevation of generators at three sanitary sewer pump stations located on East Bay Avenue. This investment will harden critical wastewater infrastructure so that the pump stations can continue operating during coastal storm and flood events.	Barnegat NJ	\$675
Brick Township	This funding supports the construction of a new Office of Emergency Management (OEM) building on a barrier island to support fire, police, and EMS operations. This investment will improve emergency response times & coordination for residents and visitors.	Brick NJ	\$3,299
Burlington County	This funding supports an update to the Burlington County Joint Information Center. This investment will allow for real-time, multi-agency information coordination during emergencies.	Burlington County NJ	\$2,100
County of Somerset	The funding supports comprehensive technology modernization and infrastructure resiliency enhancements to the Somerset County Emergency Operations Center. This investment will provide technology upgrades, create a disaster recovery site, modernize communications & improve security infrastructure.	County of Somerset NJ	\$1,350
City of Englewood	This funding supports the Englewood Emergency Operations Center Phase Two project. This investment ensure that the EOC can serve as a comprehensive Emergency Operations Center and provide the necessary equipment, technology, supplies, vehicles, and functional space for its operation.	Englewood NJ	\$1,031
City of Margate	This project supports a scoping project to complete the design, permitting, plans, and specification for the restoration of Shelter Island for the City of Margate. This investment will fulfill a priority project in the Atlantic County Hazard Mitigation Plan.	Margate NJ	\$500
Borough of Metuchen	This funding supports the completion of the Metuchen Borough Emergency Services Center (ESC) Building Construction Project. This investment will update our facilities to adequately serve Metuchen's current population.	Metuchen NJ	\$5,000
City of Port Republic	This funding makes improvements to the Mill Street Dam in the City of Port Republic. This investment will address the lack of protection provided by inoperable sluice gates and will greatly improve resiliency for future flood events.	Port Republic NJ	\$1,500
Township of Upper	This funding will support the construction of a new state-of-the-art Public Safety Building in Upper Township. This investment will bring the existing facility into compliance with modern safety and operational standards while improving response times and establishing a unified command.	Township of Upper NJ	\$5,000
City of Trenton	This funding supports the establishment of a modern Emergency Operations Center (EOC) in the City of Trenton. This investment will strengthen coordination with local, state, and federal partners, improve response to public health and climate-related emergencies & enhance equitable service deliver	Trenton NJ	\$2,000
